HIMACHAL PRADESH POWER CORPORATION LTD.
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st
MARCH, 2016

1. Significant Accounting Policies:

1.1 System of Accounting

The financial statements are prepared according to the historical cost convention on accrual basis in line with the generally accepted accounting principles in India and the provisions of the Companies Act, 2013, including accounting standards notified thereunder as amended from time to time.

Basis of Consolidation

a) The consolidated financial statements (CFS) relate to Himachal Pradesh Power Corporation Limited. (the Company), and interest in Joint Ventures, together referred to as 'Group'

b) Basis of Accounting

(i) These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014.

ii) The financial statements of the Subsidiary Joint Ventures in the consolidation are drawn up to the same reporting date as of the Company for the purpose of consolidation.

iii) The consolidated financial statements have been prepared in accordance with Accounting Standard (AS) 21- 'Consolidated Financial Statements' and Accounting Standard (AS) 27- 'Financial Reporting of Interest in Joint Ventures'.

c) Principles of consolidation.

The consolidated financial statements have been prepared as per following principles:

(i) The consolidated financial statements include the interest of the Company in Joint Ventures, which has been accounted for using the proportionate consolidation method of accounting and reporting whereby the Company's share of each asset, liability, income and expense of a jointly controlled entity is considered as a separate line item.

ii) The consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's separate financial statements.

1.2 Fixed Assets

i) Fixed Assets are stated at historical cost less accumulated depreciation and any impairment in value. Where final settlement of bills with contractors is pending/under dispute, capitalization is done on estimated/provisional basis subject to necessary adjustment in the year of final settlement.

ii) Cost comprises the cost of procurement/construction inclusive of any attributable cost (i.e. freight, taxes, duties and incidental expenses) of bringing the asset to its working condition for its intended use.

(iii) Fixed Assets created on land not belonging to the company where the company is having control over the use and access of such assets are included under Fixed Assets.

iv) Capital expenditure incurred on assets not owned by the Company are included under the head fixed assets.

v) Payments made provisionally towards compensation and other expenses relating to land in possession are treated as cost of land.

vi) The assets acquired from grant in aid has been shown at full cost inclusive of any attributable cost there on.

1.3 Capital Work in Progress

- i) In respect of supply-cum-erection contracts, the value of supplies received at site/construction store and accepted is treated as Capital Work-in-progress.
- ii) Administration and Other General Overhead expenses at the Corporate Office, Design Wing and Projects under Construction / Survey & Investigation attributable to construction of fixed assets are identified and allocated on systematic basis on major immovable assets other than land, infrastructure facilities and bought out items on commissioning of Projects.
- iii) Expenditure during construction period relating to Survey and Investigation, LADA, Relief & Rehabilitation, environment & ecology, are treated as "Incidental Expenditure during construction" under capital work in progress and will be allocated to respective fixed assets on completion/construction of the project.
- iv) Expenditure against "Deposit Works" is accounted for on the basis of statement of account received from the concerned agency and acceptance by the Company. However, provision is made wherever considered necessary.
- v) Claims for price variation / exchange rate variation in case of contracts are accounted for on acceptance.

1.4 Depreciation:

- i) Depreciation has been provided for on Written Down Method on useful life basis and in the manner specified in schedule II of Companies Act, 2013.
- ii) Depreciation on assets till start of commercial production has been shown under "Incidental Expenditure during construction" under capital work in progress
- (iii) Depreciation on addition/deduction from fixed assets during the year is charged on pro-rata basis from/up to the date, when the asset is available for use/disposal.
- (iv) Expenditure on software is recognized as 'Intangible Asset' and amortized fully over three years on Straight Line Method or over a period of its legal rights to use whichever is less.
- v) Leasehold land is amortized pro-rata through depreciation over the period of lease or 32 years, whichever is lower.

1.5 Grant in Aid

- i) The Grant in aid received/recoverable from Central and State Governments in respect of cost of the project and other expenses in relation to projects has been shown under Capital Reserve.
- ii) The Depreciation on assets acquired from the grant in aid has been reduced from the capital reserve on year to year basis.

1.6 Investments

Non-Current Investments including investment in Joint ventures are valued at cost less provision for permanent diminution in value.

1.7 Inventories:

- i) Inventories consist of loose tools and spare parts at project sites and valued at cost or net releasable value whichever ever less.
- ii) Scrap is accounted for as and when sold.
- iii) The diminution in the value of obsolete, unserviceable and surplus stores & spares is ascertained on review and provided for.

1.8 Foreign Currency Transactions

- i) Foreign currency transactions are initially recorded at the rates of exchange ruling at the date of transaction.
- ii) Monetary items denominated in foreign currency are restated at exchange rates prevailing on the Balance Sheet date. Non- Monetary items denominated in foreign currency are reported at the exchange rate ruling at the date of transaction.
- iii) Exchange differences, are recognized as 'Incidental Expenditure during construction' in case of projects under construction under Capital Work in progress.

1.9 Borrowing costs

Borrowing costs attributable to fixed assets during construction of the projects are capitalized.

1.10 Provision, Contingent Liabilities & Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation because of past events and it is probable that there will be outflow of resources. Contingent liabilities are not recognized, but are disclosed in the notes. Contingent assets are neither recognized, nor disclosed in the financial statements.

1.11 Income

Rental income has been accounted for on receipt basis

1.12 Employee Benefits

i) Defined Contribution Plan (Provident Fund):

Corporation's Contribution paid/payable during the year to Provident Fund is recognized in the statement of Incidental Expenses during construction Pending Allocation.

ii) Defined Benefit Plan (Gratuity):

Liability towards Gratuity for the year has been provided based on Payment of Gratuity Act, 1972 in respect of HPPCL employees.

iii) Defined Benefit Plan (Pension Contribution & Leave Encashment):

Liability towards Pension contribution in respect of HPSEBL & other employees, who are on secondment basis with HPPCL has been provided as per provisions contained in FRSR. Leave salary in respect of these employees has been provided at the rate of 11% on basic pay plus grade pay, however amount for leave availed by employees during the year has been deducted from pension contribution and leave salary.

- vi) Provision for leave encashment in respect of HPPCL employees has been provided by taking basic pay plus grade pay plus dearness allowance.

1.13 Miscellaneous

- i) Expenses and Capital losses which are not identifiable for bringing the capital assets to its working condition has been charged to the profit and loss account.
- ii) Interest received on the short-term parking of funds, has been settled against the cost of loan, received from the State Govt.
- iii) The difference of the cost to the Company of its investment in joint venture over its proportionate share in the equity of the respective investee company as at the date of acquisition of stakes recognised in the financial statements as Goodwill or Capital Reserve, as the case may be.

1.14 Taxes on Income

- i) No provision for Income Tax for the current year has been made as all generating units of corporation are currently under construction.
- ii) No Provision of tax on current rental income has been made as the company has brought forward Business losses under Income Tax Act.

1.15 Cash Flow Statement

Cash Flow Statement is prepared in accordance with the indirect method prescribed in Accounting Standard (AS) – 3 'Cash Flow Statements'.

2 Notes on Accounts

The amounts in Financial Statements are presented in Indian Rupees and all figures have been rounded off to the nearest rupees lakh except when otherwise stated. The previous year figures have also been reclassified/regrouped/rearranged wherever necessary to conform to this year's classification.
